

2019 Woo Woo Pawlooza Rules

Thank you for taking the time to review the rules of the event and the park before coming to our Woo Woo Pawlooza. We are grateful that the City of Prior Lake, and Lakefront Park allow us to return year after year, and your help in following the rules and guidelines they have in place is greatly appreciated.

Park and Event Rules:

1. **Pick up after your pet(s) and yourself.**
2. **Maximum leash length of 6 (six) feet:**
 - No extendable ("flexi") leashes are allowed.
 - Leashes are available for sale if you need one.
3. **All dogs in attendance are health and up to date on shots:**
 - You must provide proof of vaccines within 24 hours in the event of an incident
4. **No pets inside the buildings:**
 - This is a new rule, and is by request of the City and Park management
 - i. Please feel free to ask a volunteer or friend to hold onto your dogs while to go inside
5. **Puppies under six (6) months, and Senior dogs should walk the shorter path:**
 - Please use your best judgement, this is for the health and safety of your pet(s).
6. **HAVE FUN!**
 - Clearly the most important rule here! If you have any questions or concerns, please find a volunteer, they would be happy to help.
